INDEPENDENT AUDITORS' REPORT

The Board of Directors
The Rainforest Fund, Inc.

We have audited the accompanying financial statements of The Rainforest Fund, Inc. (the "Organization") as of December 31, 2012, which comprise the statements of financial position as of December 31, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT *(Continued)*

Opinion

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of The Rainforest Fund, Inc. as of December 31, 2012, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

THE RAINFOREST FUND, INC.
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2012

NOTE 1 - NATURE OF ACTIVITIES

On November 18, 2008 The Rainforest Foundation Fund, Inc. changed its name to The Rainforest Fund, Inc. (the "Organization"). The Organization is a charitable foundation; its mission is to protect and support indigenous peoples and traditional populations of the Rainforest in their efforts to protect their environment and defend their rights, to promote a sustainable development of their communities, and to challenge government practices which have a damaging effect on their environment.

The Organization carries out its mission by funding programs and projects aimed at supporting indigenous peoples and traditional populations of the Rainforest to assert and defend their rights, to fight against development programs which have damaging effects on their environment, and to carry out various projects promoting the governance and the economic development of their communities.

The Organization provides financial support for projects in the field undertaken by related national organizations called Rainforest Foundation Norway, Rainforest Foundation UK, and Rainforest Foundation US; other organizations working in the fields of human rights and the environment can seek support from the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which involves the application of accrual accounting; accordingly, the financial statements reflect all material receivables, payables, and other liabilities.

Basis of Financial Statement Presentation

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-605, "Revenue Recognition", contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

THE RAINFOREST FUND, INC.
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Basis of Financial Statement Presentation *(Continued)*

The financial statement presentation is in conformity with the FASB ASC 958, "Not-for-Profit Entities", which requires the Organization to report information regarding its financial position according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

- 1) Unrestricted net assets include assets, revenues, and gains that are available for support of the Organization's general operations.
- 2) Temporarily restricted net assets include contributions that are donor restricted for uses which have not yet been fulfilled either by the passage of time or by purpose. When a time restriction ends or a purpose restriction is accomplished, the temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. The Organization has no temporarily restricted net assets at December 31, 2012.
- 3) Permanently restricted net assets represent endowments which are subject to restrictions requiring that the principal be invested in perpetuity and only the income be used for specified or general purposes. The Organization has no permanently restricted net assets at December 31, 2012.

Cash and Cash Equivalents

Cash and cash equivalents include certain holdings in highly liquid investments, consisting of money market fund investments with original maturities of three months or less.

Investments

Investments in marketable securities are carried at fair value based on market quotes, with unrealized and realized gains and/or losses included in the statement of activities along with charges for impairments that are other than temporary. All other investments are carried at fair value based on management's estimate.

Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. The fair value of promises to give that are due in more than one year is estimated by discounting the future cash flows using a current risk free rate of return based on the yield of a U.S. Treasury security with a maturity date similar to the expected collection period.

THE RAINFOREST FUND, INC.
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Unconditional Promises to Give *(Continued)*

The Organization provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Organization's estimate is based on historical collection experience and a review of the current status of unconditional promises to give. It is reasonably possible that the Organization's estimate of the allowance for doubtful accounts will change.

Property and Equipment

Property and equipment are stated at cost, less depreciation. The cost of additions and improvements is capitalized and expenditures for repairs and maintenance are expensed as incurred. Fully depreciated assets are retained in property and depreciation accounts until they are removed from service. When assets are retired or otherwise disposed of, their cost and related accumulated depreciation and amortization are removed from the accounts and the resulting gains or losses are included in operations. Depreciation of property and equipment is accounted for on the straight-line method over the estimated useful lives of the assets.

Contributions

Contributions, including unconditional promises to give, are recorded in the period received at fair value which is net of estimated uncollectible amounts. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated by the donor for future periods or are restricted by the donor for specified purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes.

A donor restriction expires when a stipulated time restriction ends, when an unconditional promise with an implied time restriction is collected, or when a purpose restriction is accomplished. Upon expiration, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions. Permanently restricted net assets include the principal amount of contributions accepted with the stipulation from the donor that the principal be maintained in perpetuity and only the income from the investments thereof is expended for either general purposes or a purpose specified by the donor.

Donated Assets

Donated marketable securities and other non-cash donations, if any, are recorded as contributions at their estimated fair value at the date of the donation.

Donated services, if any, are recognized as contributions in accordance with FASB ASC 958 if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers provide services throughout the year that are not recognized as contributions in the financial statements since the aforementioned recognition criteria were not met.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Income Taxes

The Organization is a not-for-profit organization that is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code; the Organization is also exempt from state and local income taxes. Accordingly, no provision for income taxes has been made in the financial statements. In addition, the Organization is subject to tax on unrelated business income at statutory corporate income tax rates. However, the Organization did not have any unrelated business income for the year ended December 31, 2012.

The Board of Directors of the Organization has concluded that there are no uncertain tax positions that would require recognition in the financial statements. If the Organization was to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes. The Organization's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. Generally, federal, state and local authorities may examine the tax returns for three years from the date of filing; consequently, the respective tax returns for years prior to 2009 are no longer subject to examination by tax authorities.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses, and the disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Subsequent Events

Management has evaluated subsequent events or transactions occurring through September 13, 2013 the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

Investments as of December 31, 2012 are reported at fair value and are summarized as follows:

	<u>Cost</u>	<u>Gross Unrealized Gain</u>	<u>Fair Value</u>
<u>Unrestricted</u>			
Equity securities	\$ 1,045,088	\$ 638,081	\$ 1,683,169
Limited partnership	<u>1,947,103</u>	<u>1,669,798</u>	<u>3,616,901</u>
	<u>\$ 2,992,191</u>	<u>\$ 2,307,879</u>	<u>\$ 5,300,070</u>

On January 17, 2012 the Organization entered into a transfer agreement with a third party. Under the agreement, the Organization sold 25.7% of their investment in the limited partnership hedge fund for proceeds of \$1,000,000.

Investments in securities are generally exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term.

The following schedule summarizes the related investment return and its classification in the statement of activities for the year ended December 31, 2012:

	<u>Amount</u>
Interest and dividends	\$ 66,393
Net realized and unrealized gain on investments	<u>952,251</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted observable quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Basis of Fair Value Measurement

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Limited Partnership has established valuation processes and procedures for Level 3 investments to ensure proper reporting within the fair value hierarchy and in accordance with U.S. GAAP. The Limited Partnership is responsible for the valuation processes and procedures of the Level 3 investments, including the development of written valuation policies and procedures, conducting periodic reviews of the valuation policies, and determining the proper and consistent application of the valuation policies.

The determination of fair value using these methodologies takes into consideration a range of factors, including, but not limited to, the price at which the investment was acquired, the nature of the investment, local market conditions, trading values on public exchanges for comparable securities, current and projected operating performance, and financing transactions subsequent to the acquisition of the investment. These valuation methodologies involve a significant degree of judgment by the Limited Partnership.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

The following tables present by level, within the fair value hierarchy the Organization investment assets at fair value, as of December 31, 2012. As required by FASB ASC 820-10, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

The table below sets forth a summary of the fair value of the Organization's Level 1 and 3 investment assets for the year ended December 31, 2012:

<u>Description</u>	<u>Total</u>	<u>Quoted Prices in Active Market for Identical Assets (Level 1)</u>	<u>Significant Unobservable Inputs (Level 3) (Revised)</u>

NOTE 7 - RISKS AND UNCERTAINTIES

Cash and Cash Equivalents

At December 31, 2012, the bank balance at two commercial banks exceeded the \$250,000 insured FDIC limit by approximately \$456,000. In addition, at December 31, 2012, the balance at three brokerage firms exceeded the \$500,000 insured SIPC limit by approximately \$683,000.

NOTE 8 - FAIR VALUES OF FINANCIAL INSTRUMENTS

The carrying amounts of the Organization's financial instruments, which include cash and cash equivalents, investments, unconditional promises to give, accounts payable and accrued expenses approximate their fair values at December 31, 2012 due to the short-term nature of these instruments.

NOTE 9 - RELATED PARTY TRANSACTIONS

The Organization conducted investment transactions with a related party. The Treasurer of the Organization owns and operates a limited partnership hedge fund. The Treasurer, as part of his duties, directs the Organization's investments throughout the year. The Organization's investment in the limited partnership hedge fund at December 31, 2012 was \$3,616,901.

NOTE 10 - DESCRIPTION OF PROGRAMS

The following summarizes the Organization's projects during the year ended December 31, 2012.

PAPUA NEW GUINEA (PNG) - BISMARCK RAMU GROUP (BRG)

The activities planned for 2012 build upon the activities conducted in 2011, with an up-scaling of the Information Communication Education program. This project has allowed BRG to become a pioneer in PNG when it comes to influencing PNG's elite, the middle class as well as the decision and policy makers.

MALAYSIA - THE INDIGENOUS PEOPLES NETWORK OF MALAYSIA (JOAS)

The second year of this project works to continually strengthen the organization and its activities; engage with civil society organizations; participate in the UN processes; coordinate Borneo Indigenous People alliance; and increase general awareness in the recognition of indigenous rights.

NOTE 10 - DESCRIPTION OF PROGRAMS *(Continued)*

BOLIVIA - THE FEDERATION OF INDIGENOUS POPLES OF BOLIVIA

This project is mainly a support to the organization CIDOB to protect land territories and natural resources of the Indigenous peoples in North LA PAZ - the Organization supports this project of the strengthening of the Confederación de Pueblos indígenas in their activities on land resources.

BRAZIL - HUTAKARA, SURVEILLANCE OF THE EASTERN BORDER OF THE YANOMAMI INDIGENOUS TERRITORY

The activities planned will be advocacy activities aimed at FUNAI at the local and national level in order to remove the remaining farmers within the territory and to protect the limits from illegal invasion. There will be an expedition along the Eastern border in order to get an overview of the situation, putting out 30 signs along the borders, and finally have a meeting with the representatives of the communities in each of the six border regions to discuss challenges and project strategies.

CENTRAL AFRICAN REPUBLIC (CAR) and in GABON - COMMUNITY LEGAL FIELDWORKERS

The project aims at improving the capacities of local civil society organizations and forest communities in CAR and Gabon to understand, analyze and use national laws related to forest management, land resources rights, human rights by deploying specially trained para-legal workers in specifically identified "hot spots" locations where there are existing or threatened abuses of rights.

CAMEROON, CAR AND DRC - SUPPORTING INDIGENOUS PEOPLES AND FOREST COMMUNITIES TO ENGAGE IN THE DEVELOPMENT OF OFFICIAL CLIMATE CHANGE MITIGATION STRATEGIES

This project aims to work with local NGO networks to support Indigenous peoples and forest communities to engage in Climate Change strategies aimed at giving them the tools to understand and be the voice in Climate Change policies.

PANAMA - SECURING WOUNAAN LANDS IN THE DARIEN

The Wounaan expect to continue pushing the government to recognize the five collective lands they have submitted requests for, and to begin work on an additional three areas. By the end of this third year of the project, the Wounaan aim to have collective lands titles, the first two in Panama Este from 2010, three in the Darien from 2011, and two in 2012.

NOTE 10 - DESCRIPTION OF PROGRAMS *(Continued)*

PERU - STRENGTHENING THE ENVIRONMENTAL MONITORING OF THE QUECHUA OF THE PASTAZA RIVER (FEDIQUEP)

This project focuses on reporting contamination and environmental violations to the State authorities and publicly demanding remedial action and compensation. This project also centers on three other timely major actions: improving the communities' knowledge about their rights and extractive industries, strengthening their own federation to better represent their voices and needs, and actively participating in an indigenous alliance of all federations in the Pastaza region.

PERU - SECURING LAND RIGHTS FOR INDIGENOUS COMMUNITIES IN THE PERUVIAN AMAZON, AIDSESP

This project relates to securing land rights for Aawajun, Kichwa, Shawi and Shipibo communities for a total of 35 communities, establishing the legal and political groundwork, holding meetings, workshops, hoping to obtain demarcation and titling of at least 5 communities.

GUYANA - PROMOTING THE INTERESTS AND RIGHTS OF GUYANA'S INDIGENOUS PEOPLES IN CLIMATE CHANGE PROJECTS

This project involves the holding of a Training of Trainers workshop, community capacity, building workshops, advocacy work and a land assessment study aimed at clearly identifying and documenting the land rights related problems being faced by indigenous communities in Guyana. The proposal provides institutional support to the APA to remain engaged in the national discussion regarding REDD and to continue representing the indigenous peoples of Guyana at the negotiating table.

BOLIVIA - COMUNIDAD VIVA

The continuation of the Water Project by scaling up the access to clean water in the community Ayoreo Puesto Paz and Porvenir of which the majority of the population is composed of youngsters.

BRAZIL - EQUIPE DE CONSERVACAO DA AMAZONIA (ECAM)

This project supports the protection of the SURUI RESERVE within the context of their Indigenous Community territorial management and REDD project and is a continuation of last year's project.

ECUADOR - TECHNICAL SUPPORT IN THE CODILLERA DEL CONDOR REGION - E-Tech International

This project relates to the opening of two mines: a gold mine and a copper mine which will impact 100,000 square miles of the Cordillera. Assessments of water quality and legal issues related to the two mines which are devastating the Cordillera del Condor will be conducted, and the project will also help indigenous peoples to be able to respond to the mining companies.

IVORY COAST - UNIVERSITY SCHOLARSHIP

Support for a student from the Ivory Coast for four courses with the Centre for Environment at the University of Toronto.

PERU - NINOS DE LA AMAZONIA

This project provides the necessary support for six indigenous adolescents to study at a university in Iquitos.
